Police - South Kanara Dt. - Kaipi Police Station -Bifurcation- Opening of a new Police Station at Kaup - Sanctioned.

From
Sri T.G.Sanjevi, M.A., I.P.,
Inspector-General of Police,
M a d r a s - 4.

To
The Secretary to the
Government of Madras,
Home Department.

R.C.No.1681/W/52 dated 29th Jan 1953.

Sir,

Sub: Police - Reallocation - South Kanara District - UDIPI Police Station - Bifurcation - Proposals - Submitted.

Ref: Memorandum No.151857 Pol.IV/51-1, Home, dated 1-9-1951.

***

I request the Government to sanction the bifurcation of the existing UDIPI Police Station, in the South Kanara district, into UDIPI and KAUP Stations.

2. The citizens of PUDUBIDRI village, UDIPI taluk in the South Kanara district, submitted a memorial to the Government in 1951, for the location of a Police Station in PUDUBIDRI village. This memorial was forwarded to me for disposal, with the Government Memorandum cited.

3. The matter was referred to the District Superintendent of Police, South Kanara, who has suggested that, for administrative convenience, the existing Police Station at UDIPI may be bifurcated and a new Police Station opened at KAUP. I agree with him for the following reasons.

4. The present UDIPI Station is a coastal region, 159 Square miles in area. It comprises 56 villages, with a population of about 1,41,341. On the North it is bounded by 'SWARNANADI' (KALYANPUR river) and on the South by the 'MULKY' river. The 'UDAYAVAR' river roughly bisects the jurisdiction of the Udipi Station.

5. UDIPI Police Station is situated in the Northern extremity of its jurisdiction, putting it out of immediate touch with the bulk of its area. The citizens of PUDUBIDRI, one of the Southern-most villages of this Station, have represented that on account of the remoteness of the Police Station, crime and lawlessness have increased and that the villagers do not have the full benefits of Police administration.

6. I, therefore recommend the bifurcation of the existing UDIPI Police Station, with a new Station to be located at KAUP, South of the 'UDAYAVAR' river. It will not involve any change in the magisterial jurisdiction and will minimise the unwieldiness of the existing UDIPI Station.

7. Out of the 56 villages now attached to the existing UDIPI Police Station, 27 villages will be attached to the new KAUP Station. The strength of the present UDIPI Station is 2 Sub Inspectors, 5 Head Constables and 37 Police Constables. The following staff is recommended for the proposed two Stations:-

Station.	Staff.		
	Sub Inspector.	Head Constable.	Police Constable.
Proposed UDIPI Station.	1	4	28
,, KAUP ,,	1	1	9
Total.	2	5	37

--2--

8. Maps showing the proposed UDIPI and KAUP Stations at (F) and (K) are enclosed for the information of the Government.

9. Statements showing,(i) statistics of crime (I.P.C.) and other cases separately) for the three years 1949, 1950 and 1951 in respect of each proposed station;

(ii) Number of K.Ds., Bad characters etc., in the limits of each proposed Station;

(iii) Petty cases, Motor Vehicles cases; Processes and beats served and traffic points;

(iv) The allocation of duties of the existing and proposed stations;

(v) The financial effect of the proposal and

(vi) A draft notification in duplicate for the proposed changes, are also enclosed.

pp.7-9 infra

10. As regards the financial implication, the extra expenditure is only Rs.4/- per mensem or Rs.48/- per annum being the Station Writer's allowance to be provided for the proposed KAUP Station. As regards rents for the staff and the Station House, the District Superintendent of Police states that rent is being paid for one Sub-Inspector, 2 Head Constables and 13 Police Constables in the present UDIPI Station and hence there will not be any additional expenditure under this head, as the same rents or even lesser rents are to be sanctioned at the new KAUP Station, and that the Executive Engineer has informed him that the old Police Station buildings at KAUP (reported to have been handed over to the Revenue Department in 1910) can be used for the Station House with certain repairs costing approximately Rs.2,500/-.

11. The District Magistrate of South Kanara recommends the proposal.

12. In view of the administrative convenience and the benefits to the public due to the opening of a Police Station at KAUP, at an additional expenditure of only Rs.48/- per annum, I request the Government to sanction the bifurcation of the existing UDIPI Police Station into UDIPI and KAUP Stations as proposed above.

Police – South Kanara district – Udipi Police Station – Bifurcation.

fp 1-3 cy. From the D.I.G. of Police, letter Rc. No. 1681/W/52, dated 29.1.53

cy. p. 1 (B) In August 1951 the citizens of Pudubidri village in the South Kanara district sent a memorial to the Government requesting ~~for~~ the location of a Police station in that village. The Memorial was forwarded

p. 3 (B) to the D.I.G. of Police for disposal.

2. The D.I.G. has reported the matter to the D.S.P., South Kanara who has suggested that the existing Police

para 3 p. cy. station at Udipi may be bifurcated for administrative convenience and a new Police Station opened at Kaup. The D.I.G. of Police agrees with him and recommends the bifurcation of the Udipi Police Station for the following reasons :–

(1) The Udipi Police station is situated in the

para 5 p. cy. Northern extremity of its jurisdiction and is out of touch with the bulk of its area ;

(2) the citizens of Pudubidri one of the Southern-

Vide p. 1 (B) most villages of this station have represented that on account of the remoteness of the Police Station crime and lawlessness have increased and the villagers are not having the full benefits of Police administration ;

(3) the proposal does not involve any change in

para 6 (B) magisterial jurisdiction and will minimise the unwieldiness of the existing Udipi station.

para 11 p 3 cy. The D. M., South Kanara has recommended the proposal.

If the bifurcation is accepted the D.I.G. has proposed

para 7 p. cy. that out of the 86 villages attached to the existing

3. The expenditure involved in the proposal is Rs. 48/- per annum being the Station writer's allowance for the Station Writer of the new Kamp Police Station. It is stated that already rents is being paid for one S.I. 2 Hcs. and 13 P.Cs. in the present Udipi Station and that there will not be any additional expenditure in this regard as the new Kamp station will be having 1 S.I., 1 Hc. and 9 Pcs. only and the same rents or lesser rents may have to be sanctioned at the new Kamp Station. As regards the building for the new Kamp station it is reported that there are old Police Stn buildings at Kamp which can be used for the Station House with certain repairs estimated at Rs. 2,500 by the Executive Engineer. | para. 10 p 3 ibid | X

4. In view of the administrative convenience and the benefits to the public due to the opening of the Police Station at an addl. expenditure of Rs. 48/- per annum the Dy. requests that the proposal may be sanctioned. In the circumstances it is for orders whether the proposal of the Dy. of Police to bifurcate the Udipi Police Station into Udipi and Kamp Police Stations may be accepted and if so whether 27 out of the 56 villages now attached to the Udipi Station may be attached to the new Kamp Station and the distribution of the staff between the two stations may be as at X on p. 1 above and whether the Station writer's ~~allowance~~ special pay of Rs. 4/- p.m. for the Station Writer of the new Kamp Police Station may be sanctioned. | para. 12 p 3 ibid
